

**Lid Lifta®**

**Lid Lifta®**

**Hygienic hands-free operation  
to open & close bin-lids in food  
preparation & food processing  
areas.**

## Lid Lifta®

Hygienic hands-free  
foot-pedal to open &  
close bin-lids without  
ever touching the bin.

## Lid Lifta®

Hands-free opening of bin-lids & hands-free closing of bin-lids  
in areas where hygiene and time management is paramount.

## Lid Lifta®

Hygienic hands-free  
foot-pedal to open &  
close bin-lids without  
ever touching the bin.

- Lid Lifta® is an industrial strength stainless-steel foot-pedal securely attached to 80 litre, 120 litre and 240 litre wheelie bins, and 35 litre and 50 litre round bins.

Lid Lifta® was designed specifically for industrial use and does not interfere with waste collection or bin emptying procedures.

## Lid Lifta®

Hygienic hands-free  
foot-pedal to open &  
close bin-lids without  
ever touching the bin.

Open the lid  
partially

OR

Open the lid  
fully

Then close the  
lid again using  
the foot pedal

Never touch the lid of a bin again!!!

## Lid Lifta®

Hygienic hands-free  
foot-pedal to open &  
close bin-lids without  
ever touching the bin.

35 & 50 litre bins with foot pedals

Open  
partially

OR

Open fully

Close the  
lid again  
using the  
foot pedal

## Lid Lifta®

Hygienic hands-free  
foot-pedal to open &  
close bin-lids without  
ever touching the bin.

### 35 & 50 litre bins with foot pedals

Ideal for pathological waste, for limited space  
under benches, or, for kitchens and canteens.

- Partially open, use and close in one action without touching the lid.
- Use foot pedal to fully open and leave open for use.
- Use foot pedal to close from fully open position.

35 & 50 litre bins now also available in purple for cytotoxic waste.  
All bins are also available without foot pedals.
