

60 Litre Container

For waste reduction in urban areas

- Available in a Retro or Kompakt option

Suitable for:

- Apartment blocks
- High density housing areas
- Areas with limited space
- Commercial kitchens
- Food waste collection, including at the kerbside
- Large office blocks
- Battery disposal
- Glass collection
- General storage
- Clinical Waste
- Hospitality

Extendable handle

- Increases the height of the handle for user comfort
- Handle locks into upright position for easy manoeuvrability
- Folds forward to hold the lid shut

Optional lid venting

- Allows air to flow through the closed MGB, reducing the weight of the contents when used for organic waste

Gravity Latch*

- Automatically secures the bin when sitting vertical
- Automatically unlatches when tilted beyond a 90° angle such as during lifting

Material

- **Polymer components:**
 - Injection moulded from specially designed HDPE
 - Resistant to decay, frost, heat and chemicals
 - Special UV-stabilisation provides excellent ageing characteristics
- **Corrosion resistant steel axle**
- **Noise reduction:**
 - Quiet-running solid rubber tyres
 - Tight-fitting axle
- **Long service life:**
 - High quality materials
 - Most advanced manufacturing processes
 - Withstands exposure to high mechanical stress levels
- **Recycling:**
 - All container parts are recyclable

Advantages

- Easy to manoeuvre
- Versatile, with a comprehensive accessories range
- Particularly stable due to external position of wheels
- Safe and easy to handle
- Suits standard lifting equipment
- Double angle rail for greater safety when emptying
- Compatible with identification and weighing systems
- Special ribs prevent containers from becoming jammed when stacked
- Foot step at rear to assist in tilting the bin
- Textured sides for increased grip during lifting

Imprints and markings

- Manufacturer, year of manufacture, material
- Nominal volume, max permitted total weight
- Individual markings with imprints, hot-foil printing or adhesive labels*
- Laser marked unique ID and 2D Barcode
- Customer specific serial numbers if required*
- Permanently marked with 'no hot ashes' symbol

Accessories

- For accessories and special design variations such as lid apertures and locks
- Compostable bags available
- Optional Gravity latch*
- Optional extendable handle*
