

axieo

masterbatch

Technical Data Sheet

11/01/2016

Code:	BLL010188U
Description:	Light Blue UV Combi
Application:	MGB
Process:	Injection Moulding
MSDS Code:	X008J
Dosage / Addrates:	1.5%
Carrier:	LLDPE
Heat Stability: (Colorants only)	280°C
Light Fastness: (Blue Wool Scale / Colorants only)	7

Food Contact Disclaimer:

This product contains materials certified by the manufacturers as meeting the purity limits as stated in AS2070-1999, when used at the recommended addition rate in a polymer which is suitable in accordance with AS2070-1999.

Axieo gives no warranty or certification in this regard.

The customer is advised that they are responsible at all times for ensuring that, and for conducting tests to ensure that, their final product complies with all applicable food contact regulations and Axieo accepts no responsibility in this regard.

AXIEO DISCLAIMER FOR PRODUCT AND TECHNICAL DATA SHEETS

The information appearing in this document (Details) concerning the product which is the subject of the document (Product), is either based on present technical knowledge and tests done by Axieo or tests done and data supplied by third parties including you, the customer, as at the time of publication.

Since the actual use by you and by others of the Product is beyond the control of Axieo, no warranty or representation, whether express or implied, is made by Axieo regarding the suitability for such use, nor does Axieo accept any liability arising out of the use by you of other products or materials, whether third party or not, that may be referred to in this document. Axieo recommends that you carry out your own tests as to the suitability of the Product for your purpose, regarding which you accept full responsibility. In addition, if any of the Details appearing in this document are based upon tests done and/or data supplied by any third party, Axieo provides no warranties or representations in connection with those Details. You waive any claim you may have against Axieo in connection with the accuracy, completeness or otherwise of the Details.

The information in this document is not to be construed as absolutely complete or accurate since additional information may be necessary or desirable when particular or exceptional conditions or circumstances exist or because of applicable laws or government regulations affecting use of the Product. Axieo does not provide any warranty or representation to you that the Product does not infringe the intellectual property rights of any third party.

All orders accepted by Axieo and Axieo's responsibility for the Products set out in those orders shall be subject to Axieo's standard conditions of sale, which are on the back of our invoices. Axieo does not accept any other liability either directly or indirectly for any losses suffered in connection with the use and application of the Product whether or not in accordance with any advice, specification, recommendation or information given by us. In accepting the Product, you acknowledge and agree that:

- (a) The Product is or may be of a hazardous nature and you are responsible for the disposal of the container housing the Product in accordance with the requirements and regulations of the relevant supervising government;
- (b) The Product has a limited shelf life and must be stored strictly in accordance with the guidelines and specifications related to it;
- (c) Where the Details relate to Product tested by Axieo, those Details are indicative only, regarding which there may be batch-to-batch variation;
- (d) Axieo gives no warranty or representation as to the applicability for the particular use by you of the Product and you shall be responsible for ensuring that the Product is fit for your intended use; and
- (e) Axieo's liability for breach of any term, condition, guarantee or warranty (express or implied and concerning the information in this Document or the Product more generally) including any liability for direct or indirect loss (including indirect loss of profits), is limited to the maximum extent permitted by law and, at Axieo's election, to either replacing or repairing the goods or paying the cost of replacing or repairing the goods, or in the case of services, supplying the services again.
